Hiking boots are fine in the cold season. Here are examples of hiking boots that would be enough like normal shoes to work.

No rubber boots, snow boots, tall fashion boots, or UGGs.

No high heels, sandals, or slippers.

No outrageous shoes or socks.

Lumen Christi has allowed students to wear athletic shoes with the uniform for a long time. We plan to continue this as long as the styles don't become too outlandish. Parents are asked to choose styles in keeping with uniform standards.
