

**January 11, 2019**

**From the Headmaster**

Thanks to Caroline and Travis Giedd for hosting the Epiphany Party last Saturday. It's good to get together with other Lumen Christi staff and parents just for fun. I'm sorry that winter ailments

kept several people from attending, but we had a good group and the hospitality was great.

On Tuesday, we welcomed two new students to Lumen Christi. Joy Dolack joined our 8th grade class, and as mentioned in last week's notes, Zeke McElroy started in pre-K. Our enrollment has grown from 81 at the beginning of the school year to 86 today.

As they do each year, our high school students will travel to the March for Life next Friday in Washington, DC. Students in grades 5-8 will participate in the Indiana March for Life in Indianapolis on Jan. 22, following Mass at St. John's. Please pray for the safety of all the marchers and for an end to abortion in our country.

**Tuition and Enrollment for 2019-20**

The Letter of Intent to Enroll for the 2019-20 school year is included in today's Friday folders. The form should be returned by Feb. 8. Current families that submit the form and pay the registration fee by this date receive a reduction in tuition of \$50 per student and are guaranteed seats in any classes that fill up.

**Pizza and Hot Dog Orders for Second Semester**

Also included in today's folders are order forms for Pizza Days and Hot Dog Days for the remainder of the year. Unfortunately, we've been losing money on pizza and must increase the price to \$1.50 per slice. Hot dog prices remain the same.

**Geography Bee**

Congratulations to Cooper Olecki, the winner in our school Geography Bee on Wednesday, and to Raphael Gallagher and Mary Motyka, who placed 2nd and 3rd. And thanks to Miss Carr, who organized and moderated the bee.

**Basketball Team Remains Undefeated**

Lumen Christi's 5th and 6th grade boys basketball team is now 5-0 after defeating Central Catholic School last Saturday. Their next game is at Holy Name, at 2 pm on Sunday (Jan. 13). Their first tournament game is next Thursday, Jan. 17, at 8 pm at St. Luke.

**Moms' Holy Hour at Holy Rosary**

Lumen Christi moms are invited attend to the Holy Rosary Moms' Holy Hour each week. The group meets 9:30-1030 am on Thursdays for kid-friendly Adoration in church, with social time, coffee and snacks following in Priori Hall. Moms can contact Cindy Gallgher by email ([mrs.rooster@hotmail.com](mailto:mrs.rooster@hotmail.com)) or phone (317-352-1355) for more information.

**From Our Development Director:**

**Getting to Know You?!?**

I was able to attend the Epiphany party hosted by the Giedds at their lovely house and had a wonderful time getting to know some of you who send your children to Lumen Christi. By the time we all get to party together at our Light in the City Annual Dinner on April 26<sup>th</sup>, I'd really like to have had a chance to sit down with each one of you to learn what excites you about being Catholic and what your experience with Lumen Christi has been like.

We could meet for coffee after drop-off or before pick-up, lunch pretty much anytime and anywhere, or any other time that's convenient for you. (This empty nester thing has its perks!)

Please give me a call or text at 317.797.2157 or send me an email at [ESanders@LumenChristiSchool.org](mailto:ESanders@LumenChristiSchool.org) so we can set something up.
