From the Headmaster

We're coming to the end of a very good, very busy week at Lumen Christi. Today we're happy to welcome students' Grandparents and Grandfriends to have lunch, spend some time in the school, and

pray a Living Rosary. On Wednesday, as part of 40 Days for Life, students in 6th through 12th grades prayed outside Planned Parenthood – undeterred by the rain.

Add to these events a faculty meeting on Monday and Pizza Day on Tuesday, and we depended on a lot of volunteer supervision and driving from our parents. Thanks to all our volunteers, and to our teachers for keeping classes on track amid lots of disruptions.

Midterm Grades and Conferences

This coming Wednesday, Oct. 17, is the last day of the first grading period. Midterm grades will be mailed to parents of high school students during the week of Oct. 22, and elementary school grades will be in the Friday folders on Oct. 26.

Parents of elementary school teachers are encouraged to schedule conferences with homeroom teachers on the afternoon of Monday, Oct. 29. Mrs. Dowell will have scheduling sheets available at dismissal for parents to sign-up for 15-minute time slots.

Open Houses and Yard Signs

This fall we will have two separate open houses for prospective families in the high school and the elementary school.

Lumen Christi Catholic High School will host an Open House on **Wednesday, Nov. 7, 6-8 pm**, in the high school building.

The **elementary school** will host an Open House on **Thursday, Nov. 8, 12-1:30 pm**. We tried out the idea of an open house during the school day last year, and it was a success. We will also host an evening open house in the elementary school on Jan. 24.

Please encourage friends who may be interested in Lumen Christi to come see our school!

We're also asking families to display yard signs advertising our school. We have 20 signs in stock, and they will be available at dismissal next week. **Show your support for Lumen Christi by placing a sign in your front yard!**

***I'm looking forward to Fall Fest on Saturday night.
Hope to see you there!***
