From the Headmaster

Not much to report today ... It has been a rough week at school and for many of our families with the onslaught of flu and other sickness.

Thanks to Mrs. Barnes for getting all the classes covered

when teachers have been out, and to everyone who pitched in to help. Today it feels as if things are beginning to get back to normal (I hope).

Enrollment for 2018-19

As of today's deadline for current families to file their Letter of Intent to return and Registration Deposit, we have heard from every family in the school – thank you! We now have 72 students registered for the 2018-19 school year, including some younger siblings in current families, compared with our current enrollment of 70.

This coming Friday, Feb. 16, is the deadline for new families to complete an application to qualify for a tuition reduction. Emily Rosko, our admissions director, remains in touch with several families, and we are hopeful that some of them will enroll and we'll see a good increase in enrollment for next year. Please continue to encourage your friends to come to Lumen Christi!

If you intend to apply for **financial aid**, I encourage you to get the process started now. The deadline for completing the application on FACTS is Mar. 16. More information, and a link to the Lumen Christi FACTS page, are on our school web site.

Reminder: Board of Directors Meeting – The Lumen Christi Board of Directors will meet at **7 pm on Monday, February 12**, at school. Parents and faculty are welcome to attend the open session of the board meeting. Please email Dave Olecki, board president, at oleckidm@gmail.com if you plan to attend and the specific topic for discussion you would like to bring before the board so that Dave can put you on the agenda.
