From the Headmaster

Happy Easter!

It's a short school week, but teachers are making the most of it, and students are busy.

We're happy to have Megan

McElroy supervising after school care on Mondays, Tuesdays, and Thursdays through the end of the school year. And thanks to Patrick McElroy, who spoke to our high school students on Tuesday and shared his extensive knowledge and experience in Africa. The McElroys are parents of Zeke in the pre-K class.

High School Pilgrimage

The high school will depart on its annual pilgrimage after Mass on Monday (April 29). This year's pilgrimage is to Canada, highlighted by visits to St. Joseph's Oratory in Montreal and the Basilica of Sainte-Anne-de-Beaupré near Quebec City. The trip also includes visits to the CN Tower in Toronto, Old Quebec, and Niagara Falls.

I'll be helping Mrs. Collins on the trip, so I will be away from school all of next week, and there won't be any notes from me next Friday.

Please pray for safe travel and rich blessings for our high school pilgrims.

One More Change to Security

After many years, we will be changing the passcode on the front door to the main building. The current code dates back to our foundress, Edie Fitzgerald. (It was part of her phone number.) We will communicate the new passcode to faculty members and others who need to know it. We use the passcode between 7:30 and 2:30 on days school is in session.

I'm looking forward to our Annual Dinner on Friday night and hope to see you there! Please pray for a successful event to raise funds for our school.
