From the Headmaster

We made it! As the school year ends, once again I want to thank our great teachers, who have all worked hard to make this a year of learning and growth for our students.

And thanks to all of our parents for entrusting to us a role in the education and formation of your children. We strive to earn the trust you place in us and to make the most of the precious time we have with your children as they grow.

Kudos to Mrs. Shewmaker and the 1st/2nd grade class for their impressive and entertaining recitation of facts, poems and songs on Monday. Thanks to Mr. Shriner, who led the class on a scavenger hunt this week.

Thanks to the parents and staff who planned and prepared our End of Year Program and the field day activities for our last day of school.

And thanks to 2nd LT Kyle Fricker, USAF, who spoke to the 6th, 7th and 8th grades about the Air Force on Tuesday. Kyle is a graduate of Lumen Christi Catholic High School.

Congratulations to Our 8th Graders

Congratulations to our 8th grade students who are completing elementary school today:

Calendar for 2019-20 School Year

Today's folders and Weekly Update include two versions of the 2019-20 school calendar: a revised list of Key Dates, and a full calendar for the year. Last week, I noted three items that had changed since we published Key Dates earlier in the year, and today I want to add one more:

- There will be no school on **Friday, Dec. 20**. Christmas Vacation will begin one day earlier than previously listed.
- There will be school on **April 24**, the day of the 2020 Annual Dinner.
- High School Graduation will be held on **Wednesday, May 20** (moved from May 21).
- The last day of school and the 8th Grade Graduation and End of Year Program will be on **Wednesday, May 27** (moved from May 28) due to a conflict with the Holy Rosary schedule.

Reminders

- Please make arrangements for 2018-19 tuition payments by June 1.
- Please go to SignUp Genius and sign up to work on the Lumen Christi clean-up crew at the Italian Festival, June 14-15. We need ALL families to pitch in, and we especially need men to work the last shift each night.

Stay Tuned

Planning for the coming school year is going well, and I will provide an update to parents via email in June.

Have a great summer!
